Opis

This Bomma Soap chandelier consists of a total of eleven lamps on a round canopy. Included with this chandelier are five Soap Large and six Small pendant lamps with the same glass colour. The following glass colours are offered: gold, silver, blue, matt and clear. The white coated canopy has a diameter of 95 cm and a height of 6.2 cm. Each glass is made of crystal glass and mouth-blown without a mould, so it is unique and the shape, size and colour intensity can vary. During production, the glasses are coated with metal, which makes them glitter and shimmer, especially when switched on. Each lamp has an E27 socket that is operated with a replaceable LED retrofit.

The cables of the chandelier are a maximum of 250 cm long and can be shortened if necessary. Chandeliers with up to eleven Soap Small and / or Large lamps in any glass colour are also available on request.
