Opis

This Bomma Soap Mini chandelier multicolour consists of twelve Soap Mini pendant lamps on a round canopy. The lamps in this chandelier have different glass colours, for which two versions are available here. On request, any combination of the glass colours gold, silver, blue, matt and clear can be put together with up to 26 lamps.

The twelve lamps are suspended together from a white-coated canopy. The canopy has a diameter of 62 cm and a height of 6.2 cm. Each glass is individually made of crystal glass and is therefore unique. As each glass is mouth-blown without a mould, the shape, size and colour intensity can vary. The glasses are coated with metal during production, which makes them glitter and shimmer especially when switched on. The suspension is in anthracite, on request it is also available in brushed gold. The cables have a maximum length of 250 cm and can be shortened if necessary. Each lamp is operated with a replaceable G4 LED retrofit.

These versions are offered:

- Version 1: 6 x clear, 6 x frosted
- Version 2: 4 x blue, 4 x silver, 4 x gold
