Technical details

Kraj produkcji	🇩🇪 Niemcy
Producent	Lichtlauf
Projektant	Christoph Matthias
rok	2012
Stopień ochrony / Stopień ochrony IP	IP20
Zawartość opakowania	Leuchtmittel/ Bulb
napięcie przydatność	110 - 240 Volt
tworzywo	polietylen, tekstylny
powierzchnia	biały
długość kabla	120 cm
ściemnianie	na miejscu z funkcją ściemniania
Cokół / Oprawka	E27
Moc (maks. W)	70 Watt
wymiana żarówek:	na miejscu

Opis

The Lichtlauf UpLight is an unusual lamp for mounting on a ceiling or wall within a radius of approx. 1 m around a power outlet. The white hollow sphere made of resistant and high-quality polyethylene is available in three different diameters, the textile cable in three different colours. The Lichtlauf Uplight can be positioned very freely, thanks to the diverse mounting options, this spherical luminaire is a wall or ceiling luminaire as well as a pendant lamp. Wherever uniform, soft light is to illuminate the room, this lamp is ideally placed. If you combine several lamps with different diameters, small individual light objects are created. The UpLight by Lichtlauf has an E27 ceramic socket and can be operated with conventional halogen bulbs as well as with LED retrofit bulbs. This lamp is available with a diameter of 30 cm, 40 cm or 50 cm. The textile 1.2 m long cable is optionally available in white, red or grey. With the enclosed accessories (including canopy, ceiling bracket and wire rope), the lamp can be mounted on the wall as well as on the ceiling. The textile cable is also available in other colours and lengths on request.
